Map of Brazil showing the distribution of 20 different types of coffee. The map uses colored circles of varying sizes to represent different coffee varieties across various Brazilian states. The colors include blue, pink, orange, yellow, and light blue. The size of the circles varies, with the largest circle being a light blue circle in the state of São Paulo (SP). The map also shows neighboring countries like Venezuela, Colombia, Peru, Argentina, and Uruguay, as well as the Atlantic Ocean to the east.
